

BREXIT, DONALD TRUMP, FAKE NEWS, FAR-RIGHT EXTREMISM AND TERRORISM ARE ALL PART OF OUR YOUNG PEOPLES' REALITY.

Schools now have a duty to 'actively promote' the fundamental British values of democracy, the rule of law, individual liberty, and mutual respect and tolerance of those with different faiths and beliefs.

Become The Voice CIC uses a combination of critical thinking and identity building workshops, alongside tackling the difficult yet pertinent issues of today, to deliver programmes that build resilience to extremism and help to build a more cohesive and tolerant community.
